

Covid-19 Health & Safety Plan

The MTA/NJ is committed to ensuring the safety and health of attendees, exhibitors, sponsors, and staff. As is, through its openness, this event and its layout lends itself to a natural, responsible social distancing environment and does not include any high touch or frequently exposed areas. The MTA/NJ and FirstEnergy Park will be following the State of New Jersey Guidelines and implementing appropriate measures to assure the health and safety of everyone including:

- All show staff will receive PPE which will be worn as needed based upon their responsibilities and locations during the show. Additional PPE will be available to anyone entering the show.
- All show staff will be given Daily Health Assessments and temperature checks
- All show staff will be updated on show safety guidelines, sanitizing, and operations.
- Designated show staff will monitor the attendees to maintain occupancy guidelines.
- Covid-19 signage will be placed throughout the show regarding mask requirements and social distancing. Masks are required to be worn in areas where social distancing cannot be maintained.
- Covid-19 ground markings/signage to maintain social distancing will be placed in needed areas to maintain distancing.
- Routine sanitation will be conducted throughout the day (entrance, high-touch areas, door handles, restrooms, food/beverage areas).
- Hand Sanitizing Stations will be placed at entrance points and throughout the show.
- Contactless Entry is available through online ticket purchases.
- Contactless Show Directory via QR code scanned on your mobile device.
- All exhibitors will be given a Covid-19 guidance sheet to review and sign and include additional measures that are required of every exhibitor.
- Any person exhibiting symptoms or not feeling well, will not be permitted to enter the show.
